UNNAMED

Not the last few days have been very unsettling.

My dear friend Albert Einstein came to me not for a visit... but with a warning.

Benedict Arnold-- once my guide to the Founders' strange world, later my sworn enemy-- had returned in this summer of 1909.

Before Albert and I could find him, Benny found me-- at Mr. Sullivan's tailor shop, my place of employ these last several years.

Not to attack.

To confess.

We have Benedict Arnold.

Those other two are not our concern.

HURRY!

SEEING ME WITH MY WIFE AND CHILDREN, BENNY CLAIMED HE FINALLY UNDERSTOOD WHAT HE TRULY WANTED.

NOT POWER.

BUT A FAMILY OF HIS OWN.

AND TO PROVE IT, HE OFFERED TO HELP ME ACHIEVE WHAT I'VE BEEN SEARCHING FOR...

A WAY TO GRANT MY BELOVED ONES IMMORTALITY.

BENEDICT IS THE KEY TO THEM LIVING FOREVER.

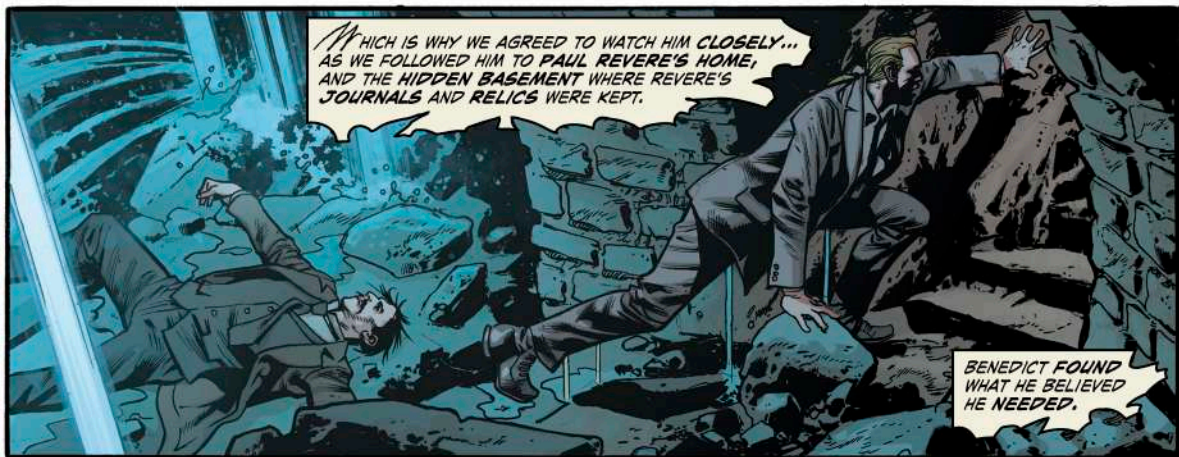

ALBERT INSISTS BENEDICT CANNOT BE TRUSTED.

ALBERT...?

I SUSPECT HE'S RIGHT.

...Kffft...

WHICH IS WHY WE AGREED TO WATCH HIM CLOSELY... AS WE FOLLOWED HIM TO PAUL REVERE'S HOME, AND THE HIDDEN BASEMENT WHERE REVERE'S JOURNALS AND RELICS WERE KEPT.

BENEDICT FOUND WHAT HE BELIEVED HE NEEDED.

THEN THE WALL EXPLODED.

THE ROOM FLOODED.

AND JUST LIKE THAT... THE LIFE I BUILT WAS NO LONGER MY OWN.

WAIT!

GO!
GO!

STOP!

AHH--

BENEDICT ARNOLD
IS A **TRAITOR** TO OUR
GREAT LEADER AND
AMERICA.

YES, AND WHATEVER
HE TOLD YOU, MR. PURE,
IT'S A **LIE**.

NOW BEFORE
YOU **ROUGH** ME
UP ANY FURTHER,
I SHOULD **REMIN**
YOU...

...THE
WATER IS
STILL
RISING.

*AND THAT MAN
DOWN THERE
WON'T COME BACK
IF HE **DROWNS**,
WILL HE?

GO
HELP YOUR
FRIEND...

BOLLOCKS.

...AND SAY
GOOD-BYE
TO YOUR
ENEMY.
