

LET ME ASK YOU A QUESTION. AND PAY ATTENTION, THIS WILL BE ON THE FINAL.

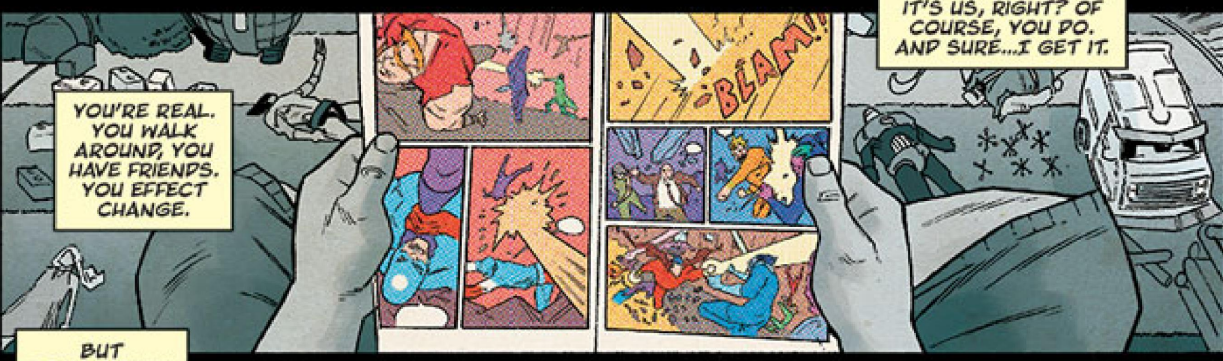

WHO IS MORE REAL:

US?

OR SUPERMAN?

YOU WANT TO SAY IT'S US, RIGHT? OF COURSE, YOU DO. AND SURE...I GET IT.

YOU'RE REAL. YOU WALK AROUND, YOU HAVE FRIENDS. YOU EFFECT CHANGE.

BUT REALLY THINK ABOUT IT.

YOU, ME, ALL OF US, YOU'LL DO ALL OF THAT, YOU'LL LIVE AND LOVE AND GROW AND THEN...WELL, LET'S FACE IT, RELATIVELY SOON...

...WE WILL ALL DIE.

AND EVEN THE MOST SUCCESSFUL OF YOU WILL HAVE NEVER MADE AS MUCH OF AN IMPACT ON THIS WORLD AS THE "FICTIONAL" CHARACTER OF SUPERMAN...

SO, AGAIN...HOW IS HE
LESS REAL THAN YOU?

HE HAS FRIENDS. HE
HAS A LIFE. HE HAS LIVED
AND DIED WELL BEFORE YOU
WERE BORN, AND HE WILL BE
HERE AFTER YOU'VE GONE.

HIS EXISTENCE
EFFECTS CHANGE.

AND SOMEDAY, WELL AFTER YOU
AND I ARE GONE, THE HUMAN
RACE WILL LEAVE THIS WORLD.
AND WHEN WE DO, WE'RE GOING
TO BRING SUPERMAN WITH US.

YOU SEE?

HE IS
PERMANENT.

AND WE
ARE NOT.

STORIES,
MYTHS,
LEGENDS...

THEY ARE
NOT FICTION.

DENVER, COLORADO.
JANUARY 11TH, 2017.

THEY'RE
A VIRUS.

AND THEY ARE
SPREADING.
