

MAZU BAY,
today.

THIS
MAKES THE
FIFTH CONTRACT
WE'VE TAKEN IN
A MONTH,
KITA.

TOO
MUCH?

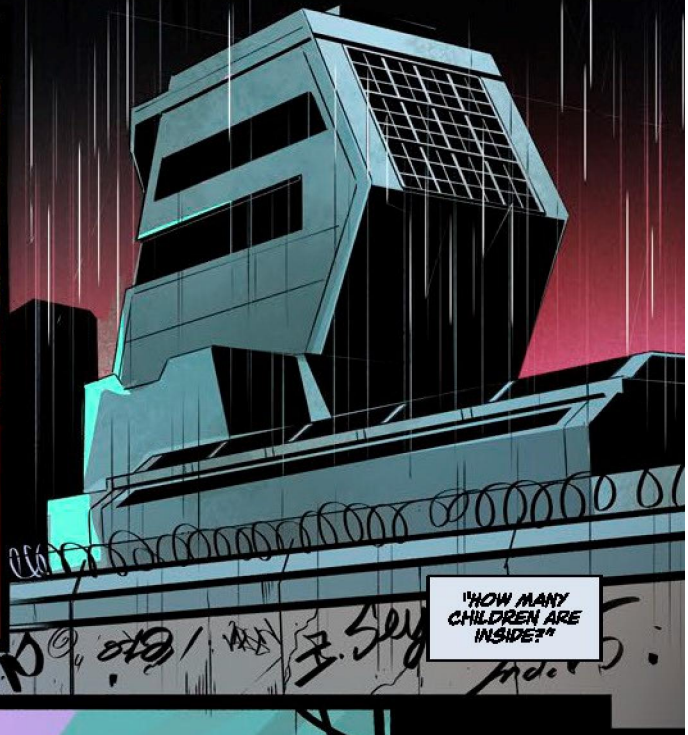

SEEMS
LIKE A
LOT.

NO, LAH.
YOU'RE JUST
GETTING
SOFT.

THAT'S
THE
PLACE?

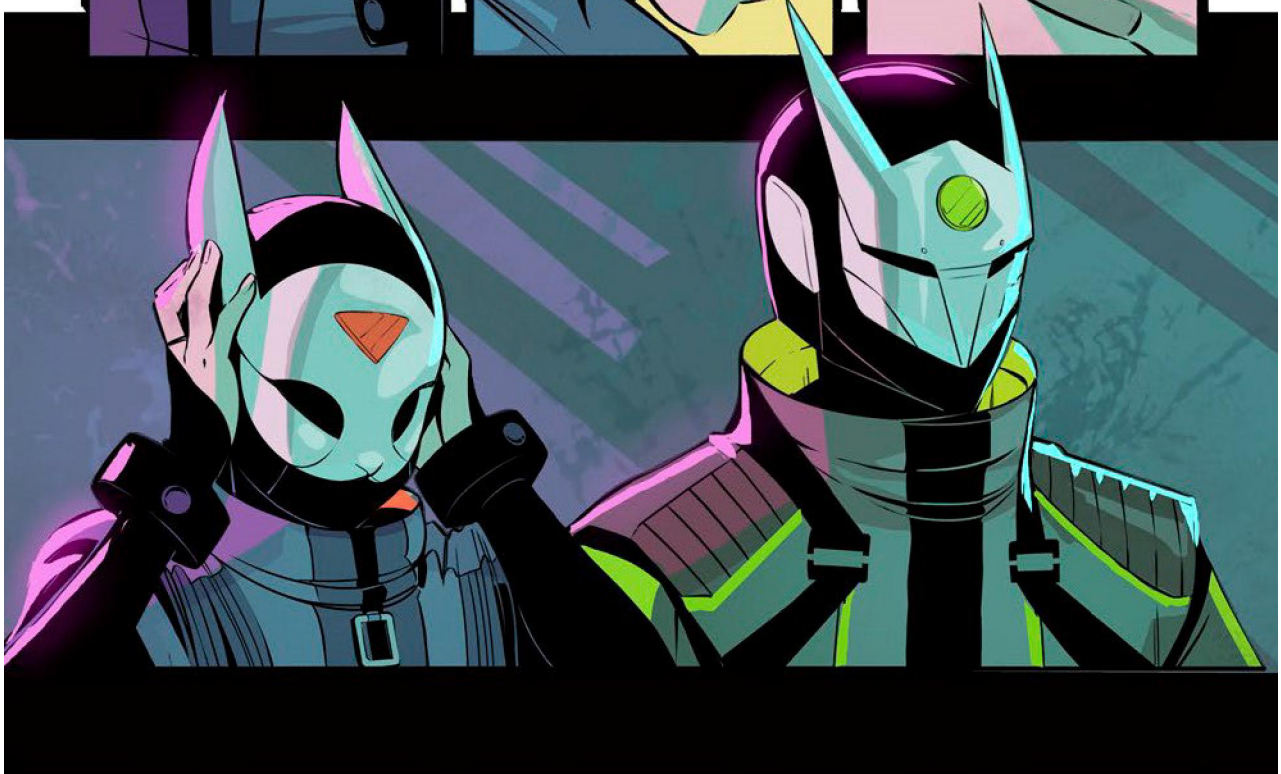

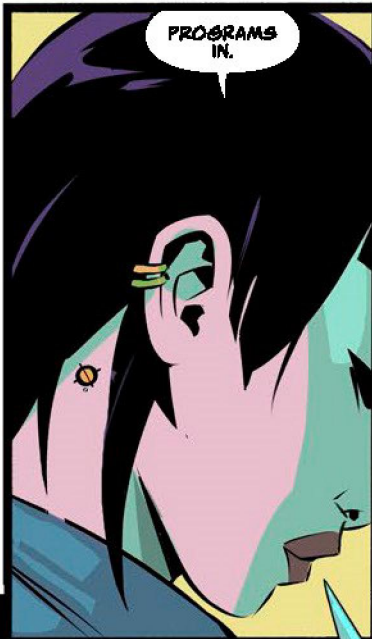

YEAH, AN
ABANDONED
SYNASTRY
DESIGNS
LAB.

"HOW MANY
CHILDREN ARE
INSIDE?"

SIX KIDS
BETWEEN THE
AGES OF NINE
AND ELEVEN.
ORPHANS
TAKEN RIGHT
OFF THE
STREET.

IS THIS SOME KIND OF DELAYED SECURITY SYSTEM?

I DON'T THINK WE TRIGGERED IT. OVER THERE, ON THE MONITOR.

SOMETHING ISN'T ADDING UP. THIS LAB WAS SHUT DOWN YEARS AGO-- THE ALARM SYSTEM SHOULDN'T BE ACTIVE.

UNLESS THERE'S SOMETHING WORTH PROTECTING.

LOOKS LIKE A HACKER-- SHE'S IN FOR A RUDE AWAKENING.

MAKE SURE THE KIDS GET TO THE TEMPLE ORPHANAGE SAFELY.

KEEP YOUR COMMS LINE OPEN.

HELLO, ENCRYPTED DATA CACHE. YES, I WOULD LIKE TO DOWNLOAD YOU.

THESE OLD SYSTEMS ARE SO SLOW. MAYBE I SHOULD GET DELIVERY TONIGHT.
