

"Okay, so you know how I was kidnapped by the demon Belasco as a child...

...and taken to Limbo and a lot of stuff happened and my mutant power kicked in and I learned some spells...

"...ended up fighting Belasco and his goons and winning--like I always do--and then, you know, when you break it...

"...you buy it. Anyway, I ruled Limbo, and it was cool for a while, but even ruling demons gets old.

"So I let Maddie Pryor take over Limbo. I made sure she knew what she was getting into and made her promise not to attack Krakoa."
