The humans always want to tell me their stories.

They come to me thinking I care.

I don't.

**JENNIFER ROSEN**  
THE INFLUENCER WITH 2 MILLION FOLLOWERS!  
(and now undead S1P)

**ATTICUS SLOANE**  
Vampire for hire.  
(Bastard.)

I just want their money.

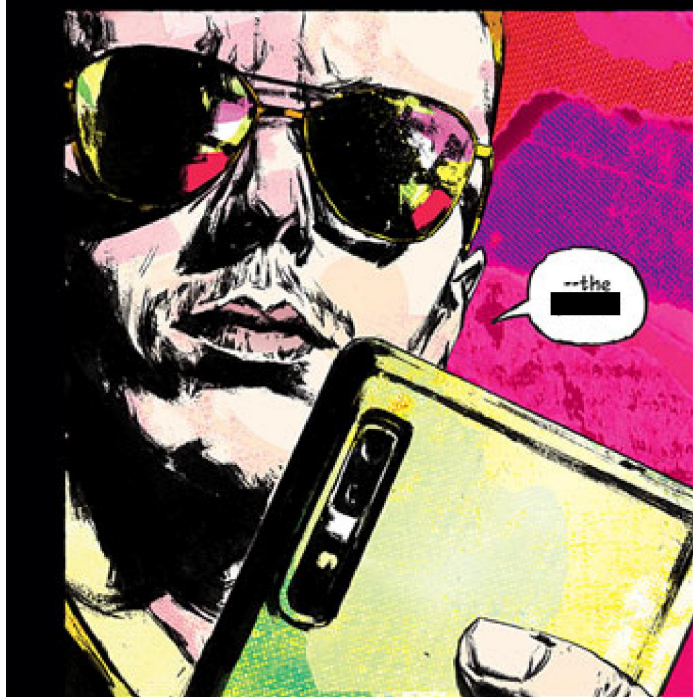

I'm not running a charity here.

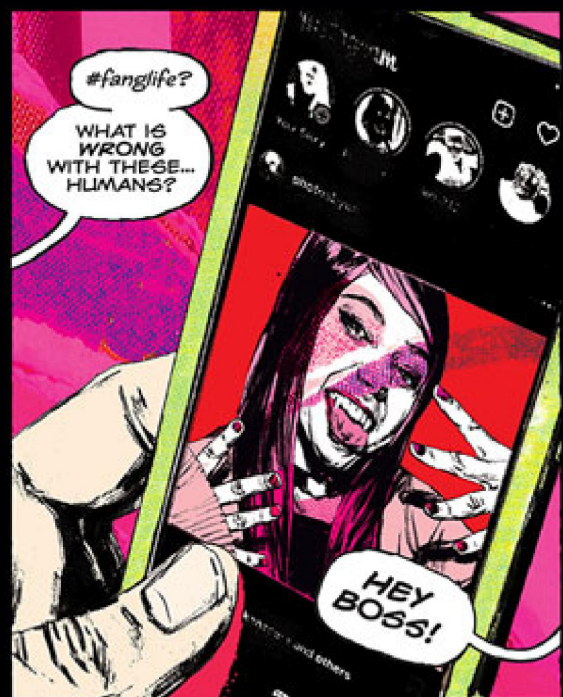

There's a sliding scale. Starts at ten thousand, minimum.

Plus ten percent of all future earnings.
